

Dear Coach, Manager, Team Mom:

Gaines Photography has once again been chosen to be the official action and team photography company of the ASA/USA Fast Pitch National Tournament. The 12U Nationals in Salem, Virginia makes the 17th National Tournament that Gaines Photography has been selected to provide photography.

The first product flyer attached gives you information and prices for our "Action & Team Photo CD Special". At each National Tournament we photograph, up to 99.9% of all teams purchase this package. Why? Because Gaines Photography offers volume pricing/what you get for the price is exceptional! We feel it is the best photography deal ever offered at a National Tournament.

The second flyer attached gives you information for our "Gold Series 10" X 30" Team Panoramic Poster". These fantastic posters put the "WOW" factor in your National Tournament team photo. With Gaines Photography's National Tournament volume pricing, this panoramic team photo is also very affordable.

Your team will save 10% of the total price of our "Action & Team Photo CD Special" and our "Gold Series 10" X 30" Team Panoramic Photos" when you purchase them together. Save \$60 or more. See attached flyer for details.

Look for the big yellow tent. This is where you will be able to view and order action, team and opening ceremony photographs from the tournament.

We look forward to working with you.
